Have a Heart

for seriously ill
children at home

The Have a Heart Appeal is back!

And this year we're raising money for Children's Hospices UK, and their work providing care and support to seriously ill children and their families within their own homes.

Get involved by downloading a fundraising pack from heart.co.uk, and help us to raise as much money as possible for local children who need it most.

It doesn't matter what you do, just do something! There are loads of ideas in the pack for joining in at work, at home, at school, with your friends, family and work colleagues.

Together we can make a difference.
